There was no other matter for discussions but the Corporate Secretary informed the Chairman that due to the time constraint, only a few questions from the stockholders will be discussed.

The first question was directed to Mr. Arlo Angelo G. Sarmiento: “Many Filipino companies are aligning with ESG as a sustainability framework. How will Vivant Corporation align its investments with ESG?” Mr. Sarmiento answered that Vivant’s strategy was to have thirty percent (30%) of its power energy portfolio in renewable energy by 2030 and to continue its investments in the water industry.

The second question, which was specific to power, was directed to Mr. Emil Garcia: “Is Vivant on track to meet its target of 30% RE by 2030?”. EMG discussed that not only will Vivant hit its 30% target by 2030 but will achieve a balanced portfolio by 2030.

The Corporate Secretary then informed everyone that that was the last question that could be accommodated for today’s meeting. She likewise said that any additional questions could be sent to [corporatesecretary@vivant.com.ph](mailto:corporatesecretary@vivant.com.ph) and that the Office of the Corporate Secretary would respond to it as soon as possible.
