## **VIVANT INCREASES RENEWABLE ENERGY FOOTPRINT, ACQUIRES 40% STAKE IN SAMAL SOLAR PROJECT IN BATAAN**

*Vivant Energy President & COO Emil Andre Garcia and Tigon Power President & CEO Mayleen Ting share a handshake to mark their long-term partnership for the Bataan Solar Project, witnessed by Vivant Corporation CEO Arlo Sarmiento (left most) and Tigon Power Chairman Elon Ting (right most)*

Vivant Energy Corporation (Vivant Energy) has expanded its renewable energy footprint with its new investment in the 53.14 MWp Samal Solar Power Project in Bataan through acquisition of a 40% equity stake in Samal Solar Renewable Energy Corporation (SSREC). The investment builds on Vivant Energy's renewable energy footprint in Luzon.

The solar facility, which began commercial operations in August 2025 and was developed by Tigon Power Corp. (Tigon Power) and operated under SSREC, supplies 52 MW of clean power to Corenergy, Vivant Energy's retail electricity arm. The investment reinforces Vivant Energy's commitment to the Department of Energy's call for stronger public-private partnerships that ensure the benefits of the energy transition are realized through local development and capacity building. This also underscores the conglomerate's commitment to clean energy aligned with its goal to increase its renewable energy mix to 30% by 2030.

###

About Vivant Energy:

**Vivant Energy Corporation (Vivant Energy)**, a subsidiary of Vivant Corporation, is a trusted partner in the Philippine energy sector, with investments in distribution, generation, retail electricity, and engineering solutions. Operating across Luzon, Visayas, and Mindanao, Vivant Energy is dedicated to delivering reliable and innovative energy solutions that fuel sustainable growth nationwide.
